Dear Mr. MacLane:

General Smith has asked me to thank you for your letter and its enclosure regarding a motion picture script "Hear the Call."

The above-mentioned script has been sent to Mr. Gordon Gray, Director of the Psychological Strategy Board, for consideration. At the present time Mr. Gray is in the process of organizing his office. Therefore, some delay may be expected before you receive a reply from him.

Your courtesy in forwarding this script is indeed appreciated.

Sincerely,
